2005 LA APA Award Winners

The winners of the 2005 LA APA Planning Awards were honored at an awards banquet at the Redondo Beach Historic Library on June 8th.

The Lovel Bearse Pemberton designed library served as the Main Library for Redondo Beach for sixty years prior to being placed on the National Register of Historic Places in 1981, and offered LA-APA a perfect medium in which to unite the past and future planning efforts shaping how we view our cities today.

Special Award of Merit
